Old King Cole

For old King Cole was a merry old soul,
And a merry old soul was he;
He called for his pipe and he called for his glass,
And he called for his fiddlers three

Old King Cole drank so much alcohol
that he reeked like the worm of a still;
And while lighting his pipe, he set himself alight,
And blew up like a gunpowder mill.

Alkohol

Sore hari menjelang
kacamata hitam terpasang
Senderan di balik dinding
Ketawa ketiwi
Bercengkerama sama teman
empat sampai lima orang
Bahasan yang tak kunjung usai

Happy happy
Kenapa bisa happy?
Karena

Alkohol
Kamu jahat tapi enak
Alkohol
Bisa juga buat luka ringan
Alkohol
Walau jahat tetap enak
Alkohol
Walau pajakmu tinggi
tetap menjadi solusi

Bercengkerama sama teman
empat sampai lima orang
Bahasan tak kunjung usai

TIPS FOR THE HOME MIXER

1. Quality ice is nearly always an essential.
2. Never, ever use the same ice twice!
3. The larger the shaker the better. Within reason of course.
4. Shake the shaker as if your life depended on it.
   Wake the drink don't send it to sleep...
5. It's always better to serve in a chilled or frozen glass. Prepare early.
6. Serve and drink your cocktails when they're 'fresh'. As Harry Craddock replied when asked what's the best way to drink a cocktail "Quickly! While it's laughing at you!".

Let Me Go Home Whiskey

by Amos Milburn

Why oh why does whiskey
Make me lose my head
Got me sitting at a bar
When I should be home in bed

Let me go home whiskey, let me walk out that door
Let me go home whiskey, let me walk out that door
I got orders from my baby
Not to come home drunk no more

CLASSIC COCKTAILS

Classics are classics for a reason: they stay relevant with the passing of time. So we've only given these a little...upgrade. Premium ingredients, modern glassware, and a lot more finesse – you'll recognize the flavors, but you'll wonder, "were they always this good?"

Of course, feel free to ask your friendly bartender for a classic cocktail not listed here.
